Dear Sir,

Sub: Immediate release of New Recruitment Rules in the cadre of Inspectors-  
request for-

You are aware that the promotion in the post of Inspector is still governed by the old recruitment rules issued in the year 1986 and on the basis of subsequent instructions issued by the CBDT in the year 2003. As a result, Employees from a particular cadre are getting promotion after completion of 3 years of service only whereas other cadres are not getting promotion even after completion of 15 years of service.

As per instruction issued by the CBDT, feeder cadre for the promotion of Inspector are from Ministerial Cadre and Stenographer Cadre in the ratio 3:1. You are well aware of the fact that when the instruction was issued through an ordinance the number of Stenographers in the Department was in large, now the present number is quite few, on the other hand the number of post in the Ministerial cadre is increasing day after day. This results in disappointment and agony among the ministerial staffs as their future prospects are very low in compare to those of stenographer cadre.

In view of the above, you are requested to look into the matter so that the recruitment rules in the cadre of Inspectors can be published immediately or the CBDT instruction as above to be changed proportionately as per present sanction strength of the two cadre.

Yours faithfully,

(SUMIT KUMAR BOSE)
